Relevant Experience

Overseas Sales Intern — Hengjiu Antai (HJAT) | Shenyang, China *June 2026 – August 2026*
Vanadium redox flow battery (VRFB) manufacturer and energy storage provider

- Mapped 50+ potential clients and partners across Australia and Saudi Arabia and co-authored a 17-company competitive report on China's VRFB industry.
- Built VRFB vs. lithium-ion lifecycle cost comparisons and assessed government and mining energy storage tenders in Australia and Papua New Guinea.
- Drafted partnership proposals in English, Spanish, and Mandarin; produced 30 trilingual technology guides through an automated document pipeline.
- Ranked #1 in department LinkedIn outreach (200+ industry connections in 6+ countries); trained colleagues on LinkedIn, VPN, and AI tools.

Business Consultant — Mundo Bonito E-Commerce Store | Costa Rica *December 2024 – June 2025*

- Shaped go-to-market and pricing strategy using customer segmentation and competitor price analysis.
- Supported storefront redesign and promotional testing to improve conversion.

Student Consultant — CCECC | Costa Rica *January 2020 – July 2022*

- Coordinated communication between Chinese and Costa Rican partners on community initiatives.
- Translated proposals, planned events, and managed stakeholder follow-ups.

Additional Experience

Environmental & Governmental Translator | Costa Rica *2024*

- Translated official environmental and government documents between Mandarin, English, and Spanish.

Host — National Mandarin Competition | Costa Rica *2021*

- Hosted the national competition, managing participant introductions, pacing, and audience engagement.

Relevant Projects

AI-Driven Marketing Analytics — Layers App *September – December 2025*

- Used AI tools to optimize digital marketing funnels and improve customer acquisition insights.

Forensic Accounting Analysis — Bed Bath & Beyond

- Applied Altman Z-Score, Beneish M-Score, and Sloan accrual models to assess financial distress and earnings quality.
